Journaux et magazines

J'ai eu largement recours à la presse locale comme nationale dans cet ouvrage. Il me semble inutile de faire la liste de tous les articles de journaux utilisés. Je me limiterai à indiquer ceux, en général issus de magazines, qui m'ont semblé les plus intéressants et riches. Les magazines satiriques comme *Punch* ou *Fun*, ou richement illustrés comme *The Illustrated London News*, sont aussi cités dans la rubrique «Documents iconographiques».

Household Words, en particulier :
